Introduktion

AAB-numrene

Denne oversigt er sorteret efter de AAB numre som er at finde nederst på bagsiden af bøgerne.

Des senere bøger fra bogklubben udkom med et firecifret nummer, og andre udkom uden nummer. De firecifrede er i oversigten samlet efter AAB numrene, mens det helt uden er samlet sidst i oversigten

Alfabetisk oversigt

Bagerst i oversigten findes et alfabetisk oversigt over bøgerne

o

Årstal

De årstal der står angivet ved bøgerne er det copyright årstal som er angivet i bøgernes kolofon. I nogle af bøgerne er der ikke angivet et copyright år. Disse er angivet i oversigten med "uå" (uden årstal).

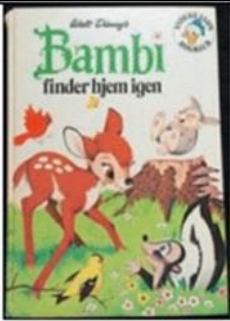

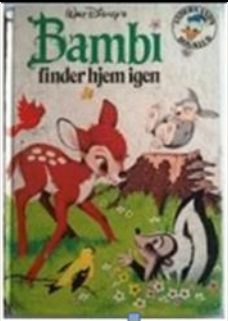

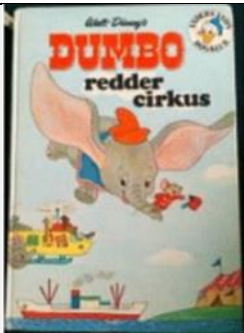

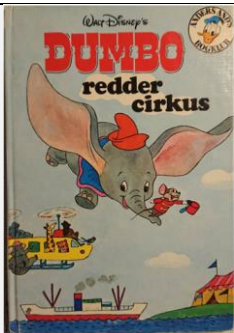

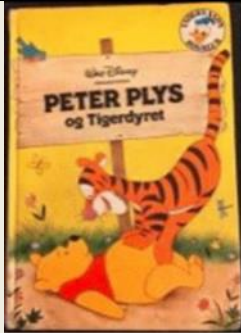

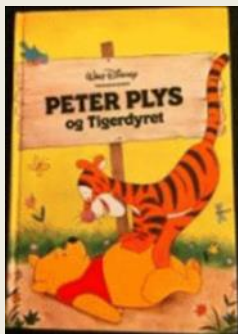

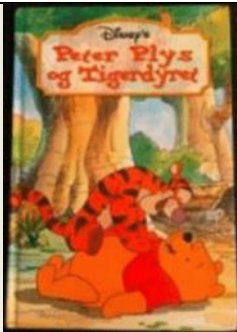

Ny forsider og nye udgaver

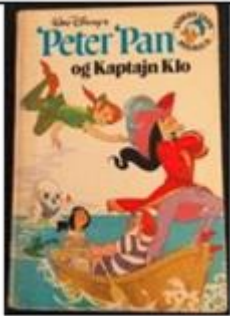

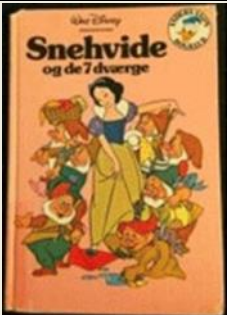

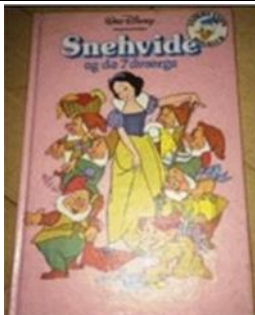

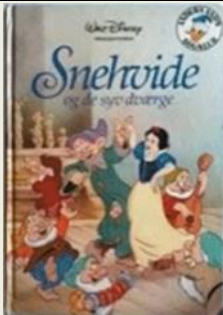

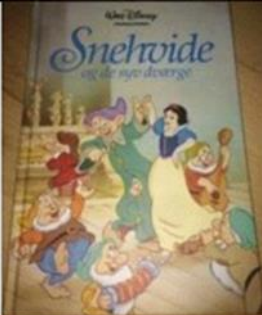

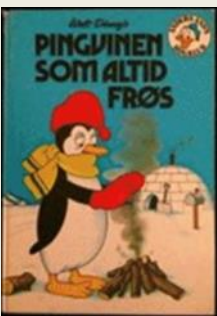

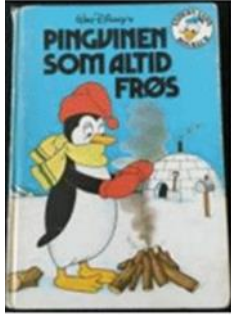

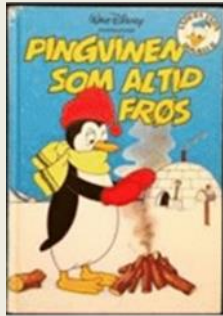

Ved genudgivelser er der ofte små ændringer på forsiderne. Det kan være opdateret logo, eller mere farverigt titelskrift. Nogle gange er illustrationen skiftet ud. I nogle tilfælde er det samme illustrationer der er i bogen (eks. *Peter Plys en festlig fødselsdag* AAB 129), mens i andre er illustrationerne i bogen også nye (eks. *Pingvinen som altid frøs* AAB 3).

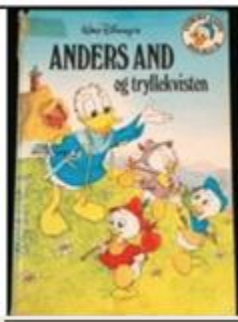

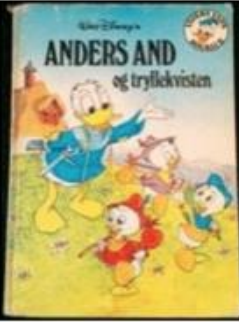

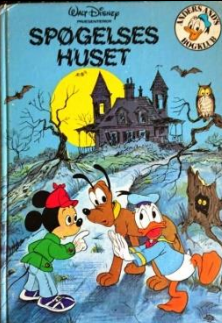

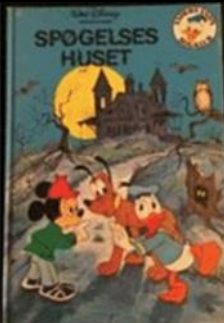

Nye udgaver kan både have fået det oprindelige nummer (eks. *Pingvinen som altid frøs* AAB 3), eller være udkommet med et nyt nummer (eks. *Lille ulv og de tre ønsker* AAB 16 & AAB 182).
